September 19-23  
Seattle, Washington

**Regional Awards  
of Merit**

**2010**

## ASDSO Regional Awards of Merit

### Overview

ASDSO is accepting nominations for Regional Awards of Merit, which are given to individuals, companies, organizations, municipalities, or other entities working in the dam safety field that have made outstanding contributions to dam safety on a regional level. Past winners include companies owning or operating dams that have shown marked improvement in maintaining or rehabilitating their dam(s) and their dam safety programs; individuals who have made exemplary contributions to dam safety in their communities; and local agencies with innovative ideas for improving their dam safety programs.

These awards are intended to recognize the overall contributions of an individual or organization, not to recognize the merits of a dam project. Rehabilitation projects may be nominated for the National Rehabilitation Project of the Year Award.

### Nomination procedures

- The deadline for submittal is June 1, 2010.
- Please complete the nomination form and send it (via email or mail), with attached documents, to the ASDSO representative of the State in which the nominee is located. Forms and attachments can be sent in hard-copy or electronic formats (CD or electronic via email).
- The state official must approve the nomination by sending an email to ASDSO (info@damsafety.org) or by signing the application form (either electronically or in ink).
- Send hardcopies or CDs (4 copies) to ASDSO, 450 Old Vine Street, 2nd Floor, Lexington, KY, 40507. Send electronically to info@damsafety.org
- Each ASDSO Region (represented by the regional representatives on the Board) selects a winner from the Northeast, Southeast, Midwest and West Regions.
- Award winners will be notified in July/August 2009 and the awards will be presented at the 27th Annual Conference, September 19-23, Seattle, Washington.

### Selection guidelines

The nominated individual or organization should be an ASDSO member in good standing, and should demonstrate recent, noteworthy efforts and accomplishments in the field of dam safety.

### Nomination Form

Please complete and return this form with attachments to: ASDSO, 450 Old Vine, 2nd Floor, Lexington, KY 40507. Full applications may be emailed to info@damsafety.org. Questions may be directed to (859) 257-5140.

Name of nominated individual, company, agency or organization:
